

MONEPOX®

The industrial epoxy floor systems for a long lasting future.

MONEPOX®

Mechanical and chemical resistant protective epoxy floor coating.

- Innovative epoxy floor solutions
- Several decades of proven experience and references
- Largest range of reactive resins to offer the best solution
- Systems for heavy industrial applications
- Extensive independent test certification including EN13813 and EN 1504-2. CE labels

ADVANTAGES

OWNER / SPECIFIER

- Cost effective
- High chemical and mechanical resistance
- Non-absorbent surfaces
- Long service life
- Seamless, smooth or non-slip surfaces
- Highly decorative finish
- VOC compliant
- Essentially odour free
- Can be cleaned quickly
- Low maintenance
- Makes floor dustfree

ENGINEER

- Waterbased epoxy application on wet substrates, odourless for light to medium traffic
- May be applied at varying thickness
- Many systems can be tailored to your needs
- Various degrees of non-slip finish can be created
- Special primer exists for water vapour barrier

CONTRACTOR

- Creativity in colour and design combined with durability
- Technical support by specialists in epoxy
- exclusive range from coatings to self levelling and mortars
- minimal downtime

SYSTEMS

SPECIAL PRIMERS

- MONEPOX® VB Primer

WATERBASED COATING / SELF LEVELING

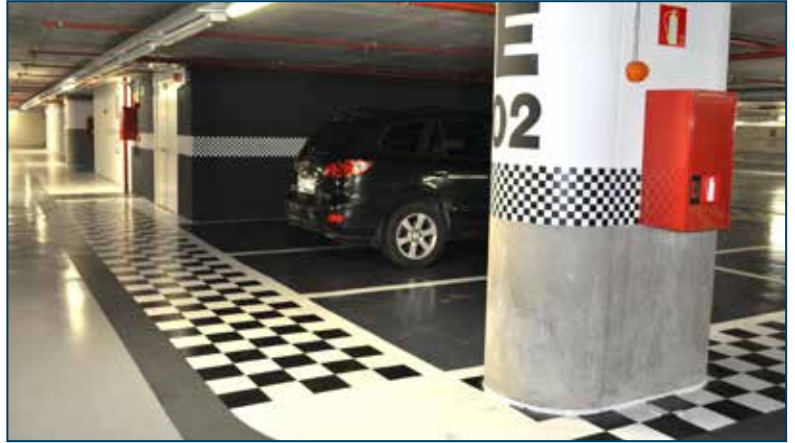

- MONEPOX® AQ / AQ SL

COATING / PARKING DECK

- MONEPOX® 110 / MONEPOX® PDS

SELF LEVELING / MORTAR

- MONEPOX® SL / SL Conductive / Coracoat / Corafloor

TYPICAL APPLICATIONS INCLUDE:

FOOD AND BEVERAGE INDUSTRY

- Commercial kitchens
- Catering facilities
- Food processing facilities
- Soft drink and beverage production
- Fish processing
- Fruit and vegetable processing
- Fast food and ready meals
- Airline Catering
- Supermarkets

PHARMACEUTICALS AND HEALTH

- Packaging
- Production and manufacturing floors
- Hospital rooms
- Health care

TRANSPORT

- Showrooms
- Mechanical workshop
- Parking Decks (inside)
- Car dealers
- Aviation
- Garage floors

LEISURE

- Stadiums
- Hotels / Tourist Centers
- Education Classrooms
- Locker and rest rooms
- Media centers
- Offices
- Government institutions
- Public spaces

GENERAL INDUSTRIES

- Paper and printing
- Mechanical industries
- Assembly lines
- Control rooms
- Electronic industry

CHEMICAL INDUSTRY

- Production areas
- Storage and packaging

WAREHOUSES

- Industrial kitchens
- Loading ramps
- Distribution centers
- Fork lift truck traffic
